CONSTITUTION

ARTICLE I

Section 1. The name shall be the Brae Burn Country Club, and the Club shall be located in Newton, Massachusetts.

Section 2. The membership of the Club shall consist of Active (on and after April 2, 1923, to be divided into two classes, to wit: Regular Active and Special Active), Junior, Associate, Army and Navy, Honorary, and Non-Resident Members, and such other classes of membership as the Board of Directors shall from time to time establish, and shall be limited to such numbers and be subject to such conditions as the Board of Directors shall determine by a three-fifths vote of the entire Board, provided that the same shall not be inconsistent with any provisions contained in this Constitution and that the number of Active Members shall not exceed eight hundred. Only Active Members shall be entitled to any interest in the property of the Club or to vote.

Section 3. Every active member on April 2, 1923, shall forthwith become a special active member. No other person shall be admitted to special active membership. The annual dues of special active members shall be fifty dollars more than the annual dues of regular active members.

Section 4. Every special active member who shall acquire a Debenture (issued under Article XII) shall forthwith become a regular active member. No new active members shall be admitted to membership except regular active members. Any person who has been elected to regular active membership must acquire and own a Debenture in order to qualify as a regular active member. The membership of any regular active member who disposes of his Debenture (unless it shall be called for payment) shall forthwith terminate, but such termination shall not affect the liability of such members for all dues, fees, and other charges, then due or accrued.

Section 5. A Committee on Admissions shall be appointed by the Board of Directors at its first meeting after the annual meeting in each year to hold office for the respective terms for which they are appointed and until their successors shall be appointed. This committee shall be composed of the Secretary, two Directors and six active members who are not Directors. The Secretary shall be a permanent member of the committee and shall succeed himself. No other member of the committee shall be appointed for more than two consecutive terms. The terms of office of the members of the original committee shall be so arranged that one Director and two active members shall be appointed for one year, one Director and two active members

for two years, and the Secretary and two active members for three years. The vacancies created by the expiration of the several terms shall be filled for terms of three years each. The committee shall have the sole power of election of members (except honorary members) subject to the provisions of the Constitution. Election shall be by secret ballot, and one adverse ballot shall reject.

ARTICLE II

Section 1. The object of the Club shall be for the establishment and maintenance of suitable grounds for the encouragement of athletic exercises and sports, and especially for the playing, advancement, and cultivation of the royal and ancient game of golf, and for the maintenance of a Clubhouse with suitable appointments and accessories for the use of Club members and their guests.

ARTICLE III

Section 1. The officers shall be a President, a Vice-President, a Second Vice-President, a Treasurer, a Secretary and the Board of Directors.

Section 2. The Board of Directors shall consist of fifteen members who shall be elected by the active members of the Club by ballot. All other officers named in the preceding section shall be elected or chosen by the Board of Directors from their own

number, the term of office of those elected or chosen in 1929 expiring at the next annual meeting, and the term of office of those elected or chosen in 1930 and thereafter expiring at the next annual meeting at which there is an election of Directors.

Section 3. At the annual meeting of the Club in 1930 there shall be elected five Directors for the term of two years, five Directors for the term of four years, and five Directors for the term of six years. At the annual meeting in every second year thereafter there shall be elected five Directors for the term of six years.

Section 4. No Directors other than a Director who is President, Treasurer, or Secretary at the expiration of his term of office as a Director shall be eligible for reëlection within one year after the expiration of such term of office. No two of the offices of President, Vice-President, Second Vice-President, Treasurer and Secretary shall be held by the same person.

Section 5. Any vacancy in the Board of Directors may be filled by the remaining members of the Board. The new Director so elected shall hold office for the balance of the term for which his predecessor was elected.

Section 6. All officers must be active members of the Club and shall continue to hold office after the expiration of their respective terms until their successors are elected.

ARTICLE IV

Section 1. The Fiscal Year shall be from September 1 to August 31 of the following year.

ARTICLE V

Section 1. All meetings of the Club shall be held at the Clubhouse in West Newton, Massachusetts, unless some other place in Newton or Boston, Massachusetts, be named in the notice of the meeting by order of the Board of Directors.

Section 2. The annual meeting of the Club shall be held on the first Wednesday of October in each year. Special meetings of the Club may be called at any time by the Board of Directors.

Section 3. The order of business at the annual meeting shall be:

- 1. Reading of the Minutes

- 4. Report of the President
- 5. Other Reports and Communications
- 6. Election of Officers for the ensuing year

Section 4. Notice of all meetings of the Club stating the time and place of the meeting, and of its purposes,

shall be given by the Secretary by mailing a copy postpaid and addressed to each active member at his registered address at least seven days prior to the date of the meeting. Notice of any meeting may be waived in writing by any active member.

Section 5. Except as otherwise provided, a quorum at a Club meeting shall consist of not less than five active members, who shall represent in person or by proxy three-tenths of all the active members. If no quorum is present, the presiding officer shall adjourn the meeting to any other time within two weeks, and in like manner from time to time until a quorum is obtained; provided, however, that any meeting at which an election of Directors is to be held, such election may be held notwithstanding the absence of such a quorum if the ballots of at least three-tenths of all the active members are cast for Directors at or before such meeting.

Section 6. At all Club meetings each Active Member shall be entitled to one vote. No ballots shall be cast by proxy in the election of Directors, except that a ballot signed by the member casting it may be delivered by another person. Except as provided in the preceding sentence absent members may vote by proxy authorized in writing. All proxies shall be filed with the Secretary at or before the time of voting.

Section 7. At any meeting of the Club, Honorary Membership may be conferred by a unanimous vote, the candidate having been proposed as required for Active Membership.

Section 8. Meetings of the Directors may be held at such time and place as they may determine, due notice of which must be sent to each Director by the Secretary. Meetings shall be called at the request of the President or of not less than two of the Directors. Four members must be present to constitute a quorum for the transaction of business. All matters except those specially provided for hereinafter shall be decided at any meeting by a majority vote.

ARTICLE VI

Section 1. There shall be a Nominating Committee for the nomination of Directors. This committee shall consist of the President and four other active members to be appointed by the Board of Directors. The four members so appointed shall hold office until the next annual meeting at which there is an election of Directors.

Section 2. Nominations shall be posted on the golf bulletin board and at the Club office counter at least four weeks before the date of the annual meeting at which the Directors are to be elected. Additional nominations shall be placed on the ballot on the written petition of twenty-five active members re-

ceived by the Secretary not later than twenty days before the date of such annual meeting.

Section 3. Ballots containing the names of the Directors so nominated shall be mailed by the Secretary to all active members of the Club not earlier than nineteen days and not less than fourteen days before the date fixed for the annual meeting at which the Directors are to be elected. Ballots may be cast by mailing or delivery to the Secretary prior to the meeting, or may be cast at the meeting. No ballot shall be counted unless signed by the member casting it. Ballots not cast at the meeting, in order to be counted, must be received at the place designated for the meeting before the time fixed for the meeting or any adjournment thereof.

ARTICLE VII

Section 1. The Directors shall make such rules for the use of the property of the Club and for the management thereof as they may find expedient. They shall control the expenses and charges of the Club, authorize the employment of such assistants and servants as they shall deem expedient, and receive and consider complaints, providing that such complaints are properly made in writing.

Section 2. So far as not inconsistent with any of the provisions of this Constitution they shall have the power to appoint any necessary sub-committees,

The President shall preside at all meetings of the members of the Board of Directors; shall appoint all committees except the Nominating Committee, and in the absence of the Treasurer, shall sign all checks except as provided in Section 1 of Article IX; and shall exercise a general supervision of the Club's affairs.

Section 2. In the absence of the President the Vice-President, or in his absence the Second Vice-President, shall perform the duties of the President. In the absence of both the President and the two Vice-Presidents the Board of Directors shall choose one of their number to be President pro tempore.

ARTICLE IX

Section 1. The Treasurer shall collect all dues and initiation fees, and shall have charge of all the funds and accounts of the Club. He shall pay all bills of less than ten dollars at his discretion, and all over ten dollars that have been approved by the respective committees or their duly authorized agents. He may delegate such of his duties to such persons or agents as the Board of Directors may approve. He shall present an account of the receipts and expenditures of the Club at the meetings of the Board of Directors and shall, at the annual meeting of the Club, submit a detailed report, approved by the Finance Com-

mittee, upon the financial transactions of the Club for the preceding fiscal year. He shall have the custody of the Club's seal.

ARTICLE X

Section 1. The Secretary shall be sworn, and shall keep an accurate record of all Club and Directors' meetings, and perform all other duties incident to his office. In his absence from any meeting a Secretary pro tempore shall be appointed by the President. The Secretary shall attend to all official correspondence of the Club, and shall give notice of all meetings and such other events as may be necessary from time to time. At the annual meeting the Secretary shall submit a report of the previous year's history of the Club.

ARTICLE XI

Section 1. The President shall appoint annually the following Standing Committees; a majority of the members of each committee shall constitute a quorum:

A Finance Committee
A House Committee
A Golf Committee
A Tennis Committee
A Winter Sports Committee
A Women's Golf Committee

and such other additional or substituted Standing Committees as the Board of Directors may from time to time approve. Each committee may appoint an agent to approve bills for payment.

Section 2. The Finance Committee shall consist of five members,—the Treasurer and four others. This committee shall prepare the annual budget, have general supervision of the finances of the Club and perform such other duties as may be delegated to it by the Board of Directors.

Section 3. The House Committee shall have control of all matters relating to the Clubhouse and all entertainments held therein.

Section 4. The Greens Committee shall have charge of the links and all matters pertaining to the upkeep and maintenance of the golf grounds.

Section 5. The Golf Committee shall have control of all golf tournaments, handicapping, and all other matters pertaining to golf. The chairman of this committee shall be the Captain of the Club.

Section 6. The Tennis Committee shall have charge of the tennis courts and all matters pertaining to tennis.

Section 7. The Winter Sports Committee shall have charge of the pond, ice carnivals, and all winter sports.

Section 8. The Women's Golf Committee shall have charge of all women's Club tournaments, subject to the approval of the Golf Committee.

ARTICLE XII

Section 1. The Board of Directors may issue and sell non-interest bearing notes of the Club (to be called "Debentures") of the face value of five hundred dollars each, such Debentures to be dated April 2, 1923, and payable fifty years after date, such Debentures to be callable as a whole by vote of the Club on thirty days' notice at their face value. All Debentures shall become due and payable in any event forthwith upon insolvency, bankruptcy, dissolution, or appointment of a receiver of the Club.

Section 2. Such Debentures may be sold only to special active members or to persons who shall have been elected to regular active membership and not more than one such Debenture may be issued or sold to any one such person.

Section 3. Except as hereinafter otherwise provided in this Article XII such Debentures shall be issued and/or sold for such amounts and upon such terms as the Board of Directors shall from time to time determine.

Section 4. Unless otherwise authorized by vote of the Club at a meeting called for the purpose, consented to or approved by a majority of all the regular active members in writing or by their affirmative votes at such meeting, the proceeds of the Debentures shall be used only for the payment of the bonds or other indebtedness of the Club outstanding on March 7, 1923, or for such additions or improvements as may be authorized by the Board of Directors, or for the purchase or retirement of outstanding Debentures, and until so used shall be placed on deposit in a separate account in some national bank or trust company in Massachusetts, or invested in securities legal for Massachusetts savings banks; provided, however, that not more than \$10,000 may be expended in any one year for additions or improvements (except such as may be necessary for the completion of the nine-hole golf course opened in 1922) unless expressly authorized by vote of the Club at a meeting called for the purpose at which at least three-tenths of all the regular active members are present in person or represented by proxy, which vote must include the affirmative votes of at least a majority of the regular active members so present or represented.

Section 5. No sale or mortgage of the land or buildings of the Club, or any part thereof, shall be made unless authorized at a meeting of the Club duly called for the purpose and consented to or approved in writing or by the affirmative votes of a majority of all the regular active members.

Section 6. On the death, resignation or other termination of the membership of a regular active member, his Debenture may be bequeathed or otherwise

transferred to any member of his family (i.e., the wife or husband and children), provided such member is elected to regular active membership. The application of such prospective transferee shall be acted upon at the next meeting of the committee or other body having the power of election of active members after notice from such proposed transferee in precedence to the application of any other person on the waiting list. Unless so transferred within such time as the Board of Directors shall determine to be reasonable, or purchased by the Club as hereinafter provided in Section 7 of this Article XII, the Debenture, duly endorsed in blank for transfer, shall be surrendered to the Club and the Club shall hold it for the benefit of the person so surrendering it, and, when deemed by the Board of Directors to be practicable and for the best interests of the Club, the Club shall sell it to some person elected to regular active membership or to some special active member, and shall pay over to the person so surrendering the same the amount received from such sale, less any amount which may be due the Club from such retired or deceased member and any expenses it incurred in connection with such sale, provided, however, that the Club shall not without the consent of the person for whose benefit any such Debenture is held, sell any such Debenture for less than its face amount nor upon terms other than cash in full at time of delivery. If at any time the Club

shall hold two or more Debentures for the benefit of retired members or of the estates of deceased members, it may sell such Debentures in such order as the Board of Directors may determine and without regard to the order in which the Debentures were surrendered to the Club.

Section 7. The Club may purchase Debentures from retired members or their estates and sell the same to persons elected to regular active membership or to special active members, all upon such terms and conditions as the Board of Directors shall from time to time deem advisable.

ARTICLE XIII

Section 1. This Constitution may be amended at any meeting of the Club, duly called for the purpose, by vote of two-thirds of those active members who are present in person or represented by proxy; provided, however, that any amendment of Article XII or of Sections 2, 3 or 4 of Article I shall also require an affirmative vote at such meeting of a majority of the entire number of regular active members. The notice of any such meeting must state the gist of the proposed amendments.

Upon such transfer he shall purchase a Club Debenture, pay the difference between the initiation fee paid by him as a non-resident member and the initiation fee payable by a regular active member at the time of such transfer, and pay his proportionate part of the annual dues of a regular active member for the unexpired portion of the then current Club year.

They may play golf on any day on payment of the established guest fee, and need not be accompanied by a member.

Section 2. Guests residing within thirty miles of the Clubhouse may, upon invitation of a member or of some member of his family entitled to Clubhouse privileges as authorized under Article IX, Section 1, of the By-Laws, be admitted to the privileges of the Clubhouse, provided they are accompanied by such member or by such member of his family.

Section 3. Golf playing guests, whether residing within thirty miles of the Clubhouse or not, may be introduced by members for a day or any part thereof on payment of the established guest fee and subject to the following conditions:

- (a) That during the months of April, May, June, September and October, the same guest, if residing within thirty miles of the Clubhouse, shall not play golf oftener than twice in thirty days.
- (b) That no member shall introduce more than three golf playing guests on the same day.
- (c) That on Saturdays, Sundays and holidays golf playing guests (other than guests residing more than thirty miles from the Clubhouse and introduced for a longer period than one day) must be accompanied by the members introducing them, and that on other days they must be either accompanied by such members or introduced by them in person, in writing, or by telephone.

The Winter Sports Committee may grant temporary winter sports privileges to persons who are not Club members or entitled to family privileges under Club memberships, may provide for the introduction of skating and other winter sports guests, and may regulate the use of the Club's winter sports equipment and facilities, all upon such terms and conditions as the Directors may from time to time approve, provided that the total number of participants under such temporary winter sports privileges shall not exceed six hundred, and provided that neither such participants nor their guests shall be entitled to the privileges of the main Clubhouse.

ARTICLE XIV

Section 1. The Directors shall have power by a three-fifths vote of the entire board to fix and refix from time to time the amounts of all initiation fees, annual dues, fees for golf privileges, and all other fees and charges payable to the Club, and to determine from time to time how and when such fees, dues and charges shall be payable.

Section 2. A person elected to membership shall be notified of his election by the Treasurer, and shall be presented with a bill covering such immediate payments as he is required to make. If such bill is not paid within ten days from the date thereof the election of such person may be declared null and void.

Section 3. A person elected to membership shall pay such proportion of annual dues for the then Club year as the portion of such year subsequent to the date of such election bears to the whole of such year, such apportionment to be made on a monthly basis, a fractional part of a month to be disregarded unless it exceeds thirteen days, in which case it shall be considered as a full month.

Section 4. If a member changes from one class of membership to another the difference, if any, in the

annual dues of such classes of membership shall be adjusted as of the date of such change.

Section 5. The Club year for which annual dues and charges are payable shall begin November 1 of each year and end October 31 of the following year.

Section 6. Notice of annual dues and charges shall be sent to members as soon as is practicable after the annual meeting of the Club. Section 7. All indebtedness of a member to the Club, except for his Club Debenture, initiation fee and annual dues, shall be paid before the twentieth day of the month following that in which such indebtedness was incurred. If such indebtedness exceeds \$5 and is not so paid, the member shall be notified by the Treasurer, and if it is not paid by the thirtieth of such month his name may in the discretion of the Treasurer be posted. If such indebtedness is not paid before the fifteenth day of the second month following that in which such indebtedness was incurred, the member shall receive no further credit and by vote of the Directors may

be expelled from the Club. The Directors may, however, for good cause and after payment of all indebtedness to the Club reinstate a member who has been so expelled.

ARTICLE XV

LIABILITY FOR FAMILY INDEBTEDNESS

Section 1. A member shall be liable for all indebtedness to the Club incurred by persons entitled to family privileges under his membership, by his sons who are associate members and by his sons and sons-in-law who are junior members.

ARTICLE XVI

RESIGNATIONS

Section 1. Resignations of members must be in writing and in order to relieve such members from liability for annual dues for the ensuing year must be delivered to the Secretary before November 1.

ARTICLE XVIII

TERMINATION OF INTEREST IN CLUB PROPERTY

Section 1. The death, resignation or other termination of the membership of a regular or special active member shall terminate all interest which such member may have in the property of the Club, except such interest, if any, as such member may have as a creditor of the Club.

ARTICLE XIX

EXPULSION OR SUSPENSION OF MEMBERS

Section 1. CONSTITUTION

ARTICLE I

Section 1. The name shall be the Brae Burn Country Club, and the Club shall be located in Newton, Massachusetts.

Section 2. The membership of the Club shall consist of Active (on and after April 2, 1923, to be divided into two classes, to wit: Regular Active and Special Active), Junior, Associate, Army and Navy, Honorary, and Non-resident Members, and such other classes of membership as the Board of Directors shall from time to time establish, and shall be limited to such numbers and be subject to such conditions as the Board of Directors shall determine by a three-fifths vote of the entire Board, provided that the same shall not be inconsistent with any provisions contained in this Constitution and that the number of Active Members shall not exceed eight hundred. Only Active Members shall be entitled to any interest in the property of the Club or to vote.

Section 3. Every active member on April 2, 1923, shall forthwith become a special active member. No other person shall be admitted to special active membership. The annual dues of special active members shall be fifty dollars more than the annual dues of regular active members.

Section 4. Every special active member who shall acquire a Debenture (issued under Article XII) shall forthwith become a regular active member. No new active members shall be admitted to membership except regular active members. Any person who has been elected to regular active membership must acquire and own a Debenture in order to qualify as a regular active member. The membership of any regular active member who disposes of his Debenture (unless it shall be called for payment) shall forthwith terminate, but such termination shall not affect the liability of such members for all dues, fees, and other charges, then due or accrued.

Section 5. A Committee on Admissions shall be appointed by the Board of Directors at its first meeting after the annual meeting in each year to hold office for the respective terms for which they are appointed and until their successors shall be appointed. This committee shall be composed of the Secretary, two Directors and six active members who are not Directors. The Secretary shall be a permanent member of the committee and shall succeed himself. No other member of the committee shall be appointed for more than two consecutive terms. The terms of office of the members of the original committee shall be so arranged that one Director and two active members shall be appointed for one year, one Director and two active

members for two years, and the Secretary and two active members for three years. The vacancies created by the expiration of the several terms shall be filled for terms of three years each. The committee shall have the sole power of election of members (except honorary members) subject to the provisions of the Constitution. Election shall be by secret ballot, and one adverse ballot shall reject.

ARTICLE II

Section 1. The object of the Club shall be for the establishment and maintenance of suitable grounds for the encouragement of athletic exercises and sports, and especially for the playing, advancement, and cultivation of the royal and ancient game of golf, and for the maintenance of a Clubhouse with suitable appointments and accessories for the use of Club members and their guests.

ARTICLE III

Section 1. The officers shall be a President, a Vice-President, a Second Vice-President, a Treasurer, a Secretary and the Board of Directors.

Section 2. The Board of Directors shall consist of fifteen members who shall be elected by the active members of the Club by ballot. All other officers

named in the preceding section shall be elected or chosen by the Board of Directors from their own number, the term of office of those elected or chosen in 1929 expiring at the next annual meeting, and the term of office of those elected or chosen in 1930 and thereafter expiring at the next annual meeting at which there is an election of Directors.

Section 3. At the annual meeting of the Club in 1930 there shall be elected five Directors for the term of two years, five Directors for the term of four years, and five Directors for the term of six years. At the annual meeting in every second year thereafter there shall be elected five Directors for the term of six years.

Section 4. No Directors other than a Director who is President, Treasurer, or Secretary at the expiration of his term of office as a Director shall be eligible for re-election within one year after the expiration of such term of office. No two of the offices of President, Vice-President, Second Vice-President, Treasurer and Secretary shall be held by the same person.

Section. 5. Any vacancy in the Board of Directors may be filled by the remaining members of the Board. The new Director so elected shall hold office for the balance of the term for which his predecessor was elected.

Section 6. All officers must be active members of the Club and shall continue to hold office after the expiration of their respective terms until their successors are elected.

ARTICLE IV

Section 1. The Fiscal Year shall be from September 1 to August 31 of the following year.

ARTICLE V

Section 1. All meetings of the Club shall be held at the Clubhouse in West Newton, Massachusetts, unless some other place in Newton or Boston, Massachusetts, be named in the notice of the meeting by order of the Board of Directors.

Section 2. The annual meeting of the Club shall be held on the first Wednesday of October in each year. Special meetings of the Club may be called at any time by the Board of Directors.

Section 3. The order of business at the annual meeting shall be:

- 1. Reading of the Minutes
- 2. Report of the Treasurer
- 3. Report of the Secretary
- 4. Report of the President
- 5. Other Reports and Communications
- 6. Election of Officers for the ensuing year
- 7. New Business

Section 4. Notice of all meetings of the Club stating the time and place of the meeting, and of its purposes, shall be given by the Secretary by mailing a copy postpaid and addressed to each active member at his registered address at least seven days prior to the date of the meeting. Notice of any meeting may be waived in writing by any active member.

Section 5. Except as otherwise provided, a quorum at a Club meeting shall consist of not less than five active members, who shall represent in person or by proxy three-tenths of all the active members. If no quorum is present, the presiding officer shall adjourn the meeting to any other time within two weeks, and in like manner from time to time until a quorum is obtained; provided, however, that any meeting at which an election of Directors is to be held, such election may be held notwithstanding the absence of such a quorum if the ballots of at least three-tenths of all the active members are cast for Directors at or before such meeting.

Section 6. At all Club meetings each Active Member shall be entitled to one vote. No ballots shall be cast by proxy in the election of Directors, except that a ballot signed by the member casting it may be delivered by another person. Except as provided in the preceding sentence absent members may vote by proxy authorized in writing. All proxies shall be

filed with the Secretary at or before the time of voting.

Section 7. At any meeting of the Club, Honorary Membership may be conferred by a unanimous vote, the candidate having been proposed as required for Active Membership.

Section 8. Meetings of the Directors may be held at such time and place as they may determine, due notice of which must be sent to each Director by the Secretary. Meetings shall be called at the request of the President or of not less than two of the Directors. Four members must be present to constitute a quorum for the transaction of business. All matters except those specially provided for hereinafter shall be decided at any meeting by a majority vote.

ARTICLE VI

Section 1. There shall be a nominating committee for the nomination of Directors. This committee shall consist of the President and four other active members to be appointed by the Board of Directors. The four members so appointed shall hold office until the next annual meeting at which there is an election of Directors.

Section 2. Nominations shall be posted on the golf bulletin board and at the Club office counter at

least four weeks before the date of the annual meeting at which the Directors are to be elected. Additional nominations shall be placed on the ballot on the written petition of twenty-five active members received by the Secretary not later than twenty days before the date of such annual meeting.

Section 3. Ballots containing the names of the Directors so nominated shall be mailed by the Secretary to all active members of the Club not earlier than 19 days and not less than 14 days before the date fixed for the annual meeting at which the Directors are to be elected. Ballots may be cast by mailing or delivery to the Secretary prior to the meeting, or may be cast at the meeting. No ballot shall be counted unless signed by the member casting it. Ballots not cast at the meeting, in order to be counted must be received at the place designated for the meeting before the time fixed for the meeting or any adjournment thereof.

ARTICLE VII

Section 1. The Directors shall make such rules for the use of the property of the Club and for the management thereof as they may find expedient. They shall control the expenses and charges of the Club, authorize the employment of such assistants and servants as they shall deem expedient, and receive and consider complaints, providing that such complaints are properly made in writing.

- Section 2. So far as not inconsistent with any of the provisions of this Constitution they shall have the power to appoint any necessary sub-committees, either from their own number or from the other members of the Club, and to abolish such committees or remove any member thereof.
- Section 3. To fix the time and place of meetings and to define and determine the duties and powers of all the committees.
- Section 4. To expel and suspend members by a majority vote of the entire Board.
- Section 5. To fix and enforce penalties for the violation of the Constitution, By-Laws, and Rules.
- Section 6. To call special meetings of the Club to consider specific subjects.
- Section 7. To make, alter, and amend rules for their own government, and to fix and enforce penalties for the violation of such rules.
- Section 8. To have the books and accounts of the Club audited each year by a public accountant.
- Section 9. To fix the amount of Initiation Fee, Annual Dues, and other Fees.
- Section 10. To create a temporary Skating Membership and to provide for the admission of members.

Section 11. To extend the privileges of the Club, in their discretion, to persons who have achieved distinction in any line of endeavor.

Section 12. To select the Insignia and Colors of the Club.

ARTICLE VIII

Section 1. The President shall preside at all meetings of the members of the Board of Directors; shall appoint all committees except the nominating committee, and in the absence of the Treasurer, shall sign all checks except as provided in Section 1 of Article IX; and shall exercise a general supervision of the Club's affairs.

Section 2. In the absence of the President the Vice-President, or in his absence the Second Vice-President, shall perform the duties of the President. In the absence of both the President and the two Vice-Presidents the Board of Directors shall choose one of their number to be President pro tempore.

ARTICLE IX

Section 1. The Treasurer shall collect all dues and initiation fees, and shall have charge of all the funds and accounts of the Club. He shall pay all bills of less than ten dollars at his discretion, and all over ten dollars that have been approved by

the respective committees or their duly authorized agents. He may delegate such of his duties to such persons or agents as the Board of Directors may approve. He shall present an account of the receipts and expenditures of the Club at the meetings of the Board of Directors and shall, at the annual meeting of the Club, submit a detailed report, approved by the Finance Committee, upon the financial transactions of the Club for the preceding fiscal year. He shall have the custody of the Club's seal.

ARTICLE X

Section 1. The Secretary shall be sworn, and shall keep an accurate record of all Club and Directors' meetings, and perform all other duties incident to his office. In his absence from any meeting a Secretary pro tempore shall be appointed by the President. The Secretary shall attend to all official correspondence of the Club, and shall give notice of all meetings and such other events as may be necessary from time to time. At the annual meeting the Secretary shall submit a report of the previous year's history of the Club.

ARTICLE XI

Section 1. The President shall appoint annually the following Standing Committees; a majority of the members of each committee shall constitute a quorum:

A Finance Committee
A House Committee
A Greens Committee
A Winter Sports Committee

A Woman's Golf Committee

and such other additional or substituted Standing Committees as the Board of Directors may from time to time approve. Each committee may appoint an agent to approve bills for payment.

Section 2. The Finance Committee shall consist of five members,—the Treasurer and four others. This committee shall prepare the annual budget, have general supervision of the finances of the Club and perform such other duties as may be delegated to it by the Board of Directors.

Section 3. The House Committee shall have control of all matters relating to the Clubhouse and all entertainments held therein.

Section 4. The Greens Committee shall have charge of the links and all matters pertaining to the up-keep and maintenance of the golf grounds.

Section 5. The Golf Committee shall have control of all golf tournaments, handicapping, and all other matters pertaining to golf. The chairman of this committee shall be the Captain of the Club.

Section 6. The Tennis Committee shall have charge of the tennis courts and all matters pertaining to tennis.

Section 7. The Winter Sports Committee shall have charge of the pond, ice carnivals, and all winter sports.

Section 8. The Women's Golf Committee shall have charge of all women's Club tournaments, subject to the approval of the Golf Committee.

ARTICLE XII

Section 1. The Board of Directors may issue and sell non-interest bearing notes of the Club (to be called "Debentures") of the face value of five hundred dollars each, such Debentures to be dated April 2, 1923, and payable fifty years after date, such Debentures to be called as a whole by vote of the Club on thirty days' notice at their face value. All Debentures shall become due and payable in any event forthwith upon insolvency, bankruptcy, dissolution, or appointment of a receiver of the Club.

Section 2. Such Debentures may be sold only to special active members or to persons who shall have been elected to regular active membership and not more than one such Debenture may be issued or sold to any one such person.

Section 3. Except as hereinafter otherwise provided in this Article XII such Debentures shall be issued and/or sold for such amounts and upon such terms as the Board of Directors shall from time to time determine.

Section 4. Unless otherwise authorized by vote of the Club at a meeting called for the purpose, consented to or approved by a majority of all the regular active members in writing or by their affirmative votes at such meeting, the proceeds of the Debentures shall be used only for the payment of the bonds or other indebtedness of the Club outstanding on March 7, 1923, or for such additions or improvements as may be authorized by the Board of Directors, or for the purchase or retirement of outstanding Debentures, and until so used shall be placed on deposit in a separate account in some national bank or trust company in Massachusetts, or invested in securities legal for Massachusetts savings banks; provided, however, that not more than \$10,000 may be expended in any one year for additions or improvements (except such as may be necessary for the completion of the nine-hole golf course opened in 1922) unless expressly authorized by vote of the Club at a meeting called for the purpose at which at least three-tenths of all the regular active members are present in person or represented by proxy, which vote must include the affirmative votes of at least a majority of the regular active members so present or represented.

Section 5. No sale or mortgage of the land or buildings of the Club, or any part thereof, shall be made unless authorized at a meeting of the Club duly called for the purpose and consented to or approved in writing or by the affirmative votes of a majority of all the regular active members.

Section 6. On the death, resignation or other termination of the membership of a regular active member, his Debenture may be bequeathed or otherwise transferred to any member of his family (i. e., the wife or husband and children), provided such member is elected to regular active membership. The application of such prospective transferee shall be acted upon at the next meeting of the committee or other body having the power of election of active members after notice from such proposed transferee in precedence to the application of any other person on the waiting list. Unless so transferred within such time as the Board of Directors shall determine to be reasonable, or purchased by the Club as hereinafter provided in Section 7 of this Article XII, the Debenture, duly endorsed in blank for transfer, shall be surrendered to the Club and the Club shall hold it for the benefit of the person so surrendering it, and, when deemed by the Board of Directors to be practicable and for

the best interests of the Club, the Club shall sell it to some person elected to regular active membership or to some special active member, and shall pay over to the person so surrendering the same the amount received from such sale, less any amount which may be due the Club from such retired or deceased member and any expenses it incurred in connection with such sale, provided, however, that the Club shall not without the consent of the person for whose benefit any such Debenture is held, sell any such Debenture for less than its face amount nor upon terms other than cash in full at time of delivery. If at any time the Club shall hold two or more Debentures for the benefit of retired members or of the estates of deceased members, it may sell such Debentures in such order as the Board of Directors may determine and without regard to the order in which the Debentures were surrendered to the Club.

Section 7. The Club may purchase Debentures from retired members or their estates and sell the same to persons elected to regular active membership or to special active members, all upon such terms and conditions as the Board of Directors shall from time to time deem advisable.

ARTICLE XIII

Section 1. This Constitution may be amended at any meeting of the Club, duly called for the pur-

pose, by vote of two-thirds of those active members who are present in person or represented by proxy; provided, however, that any amendment of Article XII or of Sections 2, 3 or 4 of Article I shall also require an affirmative vote at such meeting of a majority of the entire number of regular active members. The notice of any such meeting must state the gist of the proposed amendments.

BY-LAWS

ARTICLE I

REGULAR ACTIVE MEMBERSHIP

Section 1. Any man or woman over twenty-one years of age may be elected a regular active member of the Club.

ARTICLE II

SPECIAL ACTIVE MEMBERSHIP

Section 1. A special active member is a person who was an active member on April 2, 1923, and who has not purchased a Club Debenture. He may at any time become a regular active member by purchasing a Club Debenture.

ARTICLE III

His membership shall end when he reaches thirty-one years of age, or upon the termination prior thereto of the senior membership upon which such junior membership is based.

ARTICLE III-A

SPECIAL JUNIOR MEMBERSHIP

Section 1. A special junior member is a man over twenty-one and under thirty-five years of age elected as such before April 22, 1936, subject to the provisions of Sections 2, 3 and 4 of this Article III-A. No other person shall be admitted to special junior membership.

Section 2. Any man elected to such membership must agree to purchase from or through the Club a Club Debenture at its face value of \$500, to be paid for without interest on deferred payments as follows-\$250 in as many equal annual installments in advance as there are years between the date of his election and the date when he would if continuing to live reach the age of thirty-five years, such installments to be payable within ten days after date of bill rendered by the Club therefor; and the remaining \$250 when he reaches the age of thirty-five years, provided, however, that if there are then any Debentures of former regular active members available at less than face value, such final payment of \$250 shall be reduced to such amount as shall with such prior payments on account equal the lowest price at which any such Debenture is then available at less than face value.

Section 3. The membership of a man elected a special junior member shall, if not sooner terminated,

end when such member reaches the age of thirty-five years; but, upon completing payment for a Debenture as hereinbefore provided in Section 2 of this Article III-A, he shall forthwith become a regular active member of the Club.

Section 4. In event of the death, resignation or other termination of the membership of a special junior member before reaching the age of thirty-five years, or of his failure to complete payment for a Debenture upon reaching the age of thirty-five years as hereinbefore provided in Section 2 of this Article III-A, one-half part of all payments made by him to the Club towards the purchase of a Debenture shall forthwith become the absolute property of the Club, and the other half part of such payments shall be repaid by the Club to him or to his estate, without interest, less any amount which may be due the Club from him.

ARTICLE IV ASSOCIATE MEMBERSHIP

Section 1. Any son, between sixteen and twenty-one years of age, of any member may be elected an associate member of the Club. Upon such transfer he shall purchase a Club Debenture, pay the difference between the initiation fee paid by him as a non-resident member and the initiation fee payable by a regular active member at the time of such transfer, and pay his proportionate part of the annual dues of a regular active member

for the unexpired portion of the then current Club year.

Section 3. A regular or special active member who has no usual place of residence, business or study within thirty miles of the Clubhouse may, by giving written notice to the Secretary, terminate his active membership and become a non-resident member at the expiration of the then current Club half year. They may play golf on any day on payment of the established guest fee, and need not be accompanied by a member.

Section 2. Guests residing within thirty miles of the Clubhouse may upon the invitation of a member be admitted to the privileges of the Clubhouse, provided that they are either accompanied by such member or introduced by him in person, in writing, or by telephone.

Section 3. Golf playing guests, whether residing within thirty miles of the Clubhouse or not, may be

introduced by members for a day or any part thereof on payment of the established guest fee and subject to the following conditions:

- (a) That during the months of April, May, June, September and October, the same guest, if residing within thirty miles of the Clubhouse, shall not play golf oftener than twice in thirty days.
- (b) That no member shall introduce more than three golf playing guests on the same day.
- (c) That on Saturdays, Sundays and holidays golf playing guests (other than guests residing more than thirty miles from the Clubhouse and introduced for a longer period than one day) must be accompanied by the members introducing them, and that on other days they must be either accompanied by such members or introduced by them in person, in writing, or by telephone.

Section 1. The Directors shall have power by a three-fifths vote of the entire board to fix and refix from time to time the amounts of all initiation fees, annual dues, fees for golf privileges, and all other fees and charges payable to the Club, and to determine from time to time how and when such fees, dues and charges shall be payable.

- Section 2. A person elected to membership shall be notified of his election by the Treasurer, and shall be presented with a bill covering such immediate payments as he is required to make. If such bill is not paid within ten days from the date thereof the election of such person may be declared null and void.
- Section 3. A person elected to membership shall pay such proportion of annual dues for the then Club year as the portion of such year subsequent to the date of such election bears to the whole of such year, such apportionment to be made on a monthly basis, a fractional part of a month to be disregarded unless it exceeds thirteen days, in which case it shall be considered as a full month.
- Section 4. If a member changes from one class of membership to another the difference, if any, in the annual dues of such classes of membership shall be adjusted as of the date of such change.
- Section 5. The Club year for which annual dues and charges are payable shall begin November 1 of each year and end October 31 of the following year.
- Section 6. Notice of annual dues and charges shall be sent to members as soon as is practicable after the annual meeting of the Club. The names of members whose initiation fees, annual dues and charges or any installment thereof remain unpaid

Section 7. All indebtedness of a member to the Club, except for his Club Debenture, initiation fee and annual dues, shall be paid before the 20th day of the month following that in which such indebtedness was incurred. If such indebtedness exceeds \$5 and is not so paid, the member shall be notified by the Treasurer, and if it is not paid by the 30th of such month his name may in the discretion of the Treasurer be posted. If such indebtedness is not paid before the fifteenth day of the second month following that in which such indebtedness was incurred, the member shall receive no further credit and by vote of the Directors may be expelled from the Club. CONSTITUTION

ARTICLE I

Section 1. The name shall be the Brae Burn Country Club, and the club shall be located in Newton, Massachusetts.

Section 2. The membership of the club shall consist of Active (on and after April 2, 1923, to be divided into two classes, to wit: Regular Active and Special Active), Junior, Associate, Army and Navy, Honorary, and Non-resident Members, and such other classes of membership as the Board of Directors shall from time to time establish, and shall be limited to such numbers and be subject to such conditions as the Board of Directors shall determine by a three-fifths vote of the entire Board, provided that the same shall not be inconsistent with any provisions contained in this Constitution and that the number of Active Members shall not exceed eight hundred. Only Active Members shall be entitled to any interest in the property of the club or to vote.

Section 3. Every active member on April 2, 1923, shall forthwith become a special active

member. No other person shall be admitted to special active membership. The annual dues of special active members shall be fifty dollars more than the annual dues of regular active members.

Section 4. Every special active member who shall acquire a Debenture (issued under Article XII) shall forthwith become a regular active member. No new active members shall be admitted to membership except regular active members. Any person who has been elected to regular active membership must acquire and own a Debenture in order to qualify as a regular active member. The membership of any regular active member who disposes of his Debenture (unless it shall be called for payment) shall forthwith terminate, but such termination shall not affect the liability of such members for all dues, fees, and other charges, then due or accrued.

Section 5. A Committee on Admissions shall be appointed by the Board of Directors at its first meeting after the annual meeting in each year to hold office for the respective terms for which they are appointed and until their successors shall be appointed. This committee shall be composed of the Secretary, two Directors and six active mem-

bers who are not Directors. The Secretary shall be a permanent member of the committee and shall succeed himself. No other member of the committee shall be appointed for more than two consecutive terms. The terms of office of the members of the original committee shall be so arranged that one Director and two active members shall be appointed for one year, one Director and two active members for two years, and the Secretary and two active members for three years. The vacancies created by the expiration of the several terms shall be filled for terms of three years each. The committee shall have the sole power of election of members (except honorary members) subject to the provisions of the Constitution. Election shall be by secret ballot, and one adverse ballot shall reject.

ARTICLE II

Section 1. The object of the club shall be for the establishment and maintenance of suitable grounds for the encouragement of athletic exercises and sports, and especially for the playing, advancement, and cultivation of the royal and ancient game of golf, and for the maintenance of a clubhouse with suitable appointments and accessories for the use of club members and their guests.

ARTICLE III

Section 1. The officers shall be a President, a Vice-President, a Second Vice-President, a Treasurer, a Secretary and the Board of Directors.

Section 2. The Board of Directors shall consist of fifteen members who shall be elected by the active members of the club by ballot. All other officers named in the preceding section shall be elected or chosen by the Board of Directors from their own number, the term of office of those elected or chosen in 1929 expiring at the next annual meeting, and the term of office of those elected or chosen in 1930 and thereafter expiring at the next annual meeting at which there is an election of Directors.

Section 3. At the annual meeting of the club in 1930 there shall be elected five Directors for the term of two years, five Directors for the term of four years, and five Directors for the term of six years. At the annual meeting in every second year thereafter there shall be elected five Directors for the term of six years.

Section 4. No Directors other than a Director who is President, Treasurer, or Secretary at the expiration of his term of office as a Director shall

be eligible for re-election within one year after the expiration of such term of office. No two of the offices of President, Vice-President, Second Vice-President, Treasurer and Secretary shall be held by the same person.

Section 5. Any vacancy in the Board of Directors may be filled by the remaining members of the Board. The new Director so elected shall hold office for the balance of the term for which his predecessor was elected.

Section 6. All officers must be active members of the club and shall continue to hold office after the expiration of their respective terms until their successors are elected.

ARTICLE IV

Section 1. The Fiscal Year shall be from September 1 to August 31 of the following year.

ARTICLE V

Section 1. All meetings of the club shall be held at the clubhouse in West Newton, Massachusetts, unless some other place in Newton or Boston, Massachusetts, be named in the notice of the meeting by order of the Board of Directors.

Section 2. The annual meeting of the club shall be held on the first Wednesday of October in each year. Special meetings of the club may be called at any time by the Board of Directors.

Section 3. The order of business at the annual meeting shall be:

- 1. Reading of the Minutes
- 2. Report of the Treasurer
- 3. Report of the Secretary
- 4. Report of the President
- 5. Other Reports and Communications
- 6. Election of Officers for the ensuing year
- 7. New Business

Section 4. Notice of all meetings of the club stating the time and place of the meeting, and of its purposes, shall be given by the Secretary by mailing a copy postpaid and addressed to each active member at his registered address at least seven days prior to the date of the meeting. Notice of any meeting may be waived in writing by any active member.

Section 5. Except as otherwise provided, a quorum at a club meeting shall consist of not less than five active members, who shall represent in person or by proxy three-tenths of all the active

members. If no quorum is present, the presiding officer shall adjourn the meeting to any other time within two weeks, and in like manner from time to time until a quorum is obtained; provided, however, that any meeting at which an election of Directors is to be held, such election may be held notwithstanding the absence of such a quorum if the ballots of at least three-tenths of all the active members are cast for Directors at or before such meeting.

Section 6. At all club meetings each Active Member shall be entitled to one vote. No ballots shall be cast by proxy in the election of Directors, except that a ballot signed by the member casting it may be delivered by another person. Except as provided in the preceding sentence absent members may vote by proxy authorized in writing. All proxies shall be filed with the Secretary at or before the time of voting.

Section 7. At any meeting of the club Honorary Membership may be conferred by a unanimous vote, the candidate having been proposed as required for Active Membership.

Section 8. Meetings of the Directors may be held at such time and place as they may determine, due

notice of which must be sent to each Director by the Secretary. Meetings shall be called at the request of the President or of not less than two of the Directors. Four members must be present to constitute a quorum for the transaction of business. All matters except those specially provided for hereinafter shall be decided at any meeting by a majority vote.

ARTICLE VI

Section 1. There shall be a nominating committee for the nomination of Directors. This committee shall consist of the President and four other active members to be appointed by the Board of Directors. The four members so appointed shall hold office until the next annual meeting at which there is an election of Directors.

Section 2. Nominations shall be posted on the golf bulletin board and at the club office counter at least four weeks before the date of the annual meeting at which the Directors are to be elected. Additional nominations shall be placed on the ballot on the written petition of twenty-five active members received by the Secretary not later than twenty days before the date of such annual meeting.

Section 3. Ballots containing the names of the Directors so nominated shall be mailed by the Secretary to all active members of the club not earlier than 19 days and not less than 14 days before the date fixed for the annual meeting at which the Directors are to be elected. Ballots may be cast by mailing or delivery to the Secretary prior to the meeting, or may be cast at the meeting. No ballot shall be counted unless signed by the member casting it. Ballots not cast at the meeting, in order to be counted must be received at the place designated for the meeting before the time fixed for the meeting or any adjournment thereof.

ARTICLE VII

Section 1. The Directors shall make such rules for the use of the property of the club and for the management thereof as they may find expedient. They shall control the expenses and charges of the club, authorize the employment of such assistants and servants as they shall deem expedient, and receive and consider complaints, providing that such complaints are properly made in writing.

Section 2. So far as not inconsistent with any of the provisions of this Constitution they shall have the power to appoint any necessary sub-committees, either from their own number or from the other members of the club, and to abolish such committees or remove any member thereof.

Section 3. To fix the time and place of meetings and to define and determine the duties and powers of all the committees.

Section 4. To expel and suspend members by a majority vote of the entire Board.

Section 5. To fix and enforce penalties for the violation of the Constitution, By-laws, and Rules.

Section 6. To call special meetings of the club to consider specific subjects.

Section 7. To make, alter, and amend rules for their own government, and to fix and enforce penalties for the violation of such rules.

Section 8. To have the books and accounts of the club audited each year by a public accountant.

Section 9. To fix the amount of Initiation Fee, Annual Dues, and other Fees.

Section 10. To create a temporary Skating Membership and to provide for the admission of members.

Section 11. To extend the privileges of the club, in their discretion, to persons who have achieved distinction in any line of endeavor.

Section 12. To select the Insignia and Colors of the club.

ARTICLE VIII

Section 1. The President shall preside at all meetings of the members of the Board of Directors; shall appoint all committees except the nominating committee, and in the absence of the Treasurer, shall sign all checks except as provided in Section 1 of Article IX; and shall exercise a general supervision of the club's affairs.

Section 2. In the absence of the President the Vice-President, or in his absence the Second Vice-President, shall perform the duties of the President. In the absence of both the President and the two Vice-Presidents the Board of Directors shall choose one of their number to be President pro tempore.

ARTICLE IX

Section 1. The Treasurer shall collect all dues and initiation fees, and shall have charge of all the funds and accounts of the club. He shall pay all

bills of less than ten dollars at his discretion, and all over ten dollars that have been approved by the respective committees or their duly authorized agents. He may delegate such of his duties to such persons or agents as the Board of Directors may approve. He shall present an account of the receipts and expenditures of the club at the meetings of the Board of Directors and shall, at the annual meeting of the club, submit a detailed report, approved by the Finance Committee, upon the financial transactions of the club for the preceding fiscal year. He shall have the custody of the club's seal.

ARTICLE X

Section 1. The Secretary shall be sworn, and shall keep an accurate record of all club and Directors' meetings, and perform all other duties incident to his office. In his absence from any meeting a Secretary pro tempore shall be appointed by the President. The Secretary shall attend to all official correspondence of the club, and shall give notice of all meetings and such other events as may be necessary from time to time. At the annual meeting the Secretary shall submit a report of the previous year's history of the club.

ARTICLE XI

Section 1. The President shall appoint annually the following Standing Committees; a majority of the members of each committee shall constitute a quorum:

A Finance Committee A Golf Committee
A House Committee A Tennis Committee

A Greens Committee A Winter Sports Committee

A Women's Golf Committee

and such other additional or substituted Standing Committees as the Board of Directors may from time to time approve. Each committee may appoint an agent to approve bills for payment.

Section 2. The Finance Committee shall consist of five members,—the Treasurer and four others. This committee shall prepare the annual budget, have general supervision of the finances of the club and perform such other duties as may be delegated to it by the Board of Directors.

Section 3. The House Committee shall have control of all matters relating to the clubhouse and all entertainments held therein.

Section 4. The Greens Committee shall have charge of the links and all matters pertaining to the upkeep and maintenance of the golf grounds.

Section 5. The Golf Committee shall have control of all golf tournaments, handicapping, and all other matters pertaining to golf. The chairman of this committee shall be the Captain of the club.

Section 6. The Tennis Committee shall have charge of the tennis courts and all matters pertaining to tennis.

Section 7. The Winter Sports Committee shall have charge of the pond, ice carnivals, and all winter sports.

Section 8. The Women's Golf Committee shall have charge of all women's club tournaments, subject to the approval of the Golf Committee.

ARTICLE XII

Section 1. The Board of Directors may issue and sell non-interest bearing notes of the club (to be called "Debentures") of the face value of five hundred dollars each, such Debentures to be dated April 2, 1923, and payable fifty years after date, such Debentures to be callable as a whole by vote of the club on thirty days' notice at their face value. All Debentures shall become due and payable in any event forthwith upon insolvency,

bankruptcy, dissolution, or appointment of a receiver of the club.

Section 2. Such Debentures may be sold only to special active members or to persons who shall have been elected to regular active membership and not more than one such Debenture may be issued or sold to any one such person.

Section 3. Except as hereinafter otherwise provided in this Article XII such Debentures shall be issued and/or sold for such amounts and upon such terms as the Board of Directors shall from time to time determine.

Section 4. Unless otherwise authorized by vote of the club at a meeting called for the purpose, consented to or approved by a majority of all the regular active members in writing or by their affirmative votes at such meeting, the proceeds of the Debentures shall be used only for the payment of the bonds or other indebtedness of the club outstanding on March 7, 1923, or for such additions or improvements as may be authorized by the Board of Directors, or for the purchase or retirement of outstanding Debentures, and until so used shall be placed on deposit in a separate account in some national bank or trust company in Massa-

chusetts, or invested in securities legal for Massachusetts savings banks; provided, however, that not more than \$10,000 may be expended in any one year for additions or improvements (except such as may be necessary for the completion of the nine-hole golf course opened in 1922) unless expressly authorized by vote of the club at a meeting called for the purpose at which at least three-tenths of all the regular active members are present in person or represented by proxy, which vote must include the affirmative votes of at least a majority of the regular active members so present or represented.

Section 5. No sale or mortgage of the land or buildings of the club, or any part thereof, shall be made unless authorized at a meeting of the club duly called for the purpose and consented to or approved in writing or by the affirmative votes of a majority of all the regular active members.

Section 6. On the death, resignation or other termination of the membership of a regular active member, his Debenture may be bequeathed or otherwise transferred to any member of his family (i. e., the wife or husband and children), provided such member is elected to regular active member-

ship. The application of such prospective transferee shall be acted upon at the next meeting of the committee or other body having the power of election of active members after notice from such proposed transferee in precedence to the application of any other person on the waiting list. Unless so transferred within such time as the Board of Directors shall determine to be reasonable, or purchased by the Club as hereinafter provided in Section 7 of this Article XII, the Debenture, duly endorsed in blank for transfer, shall be surrendered to the Club and the Club shall hold it for the benefit of the person so surrendering it, and, when deemed by the Board of Directors to be practicable and for the best interests of the Club, the Club shall sell it to some person elected to regular active membership or to some special active member, and shall pay over to the person so surrendering the same the amount received from such sale, less any amount which may be due the Club from such retired or deceased member and any expenses it incurred in connection with such sale, provided, however, that the Club shall not without the consent of the person for whose benefit any such Debenture is held, sell any such Debenture for less than its face amount nor upon terms other than cash in full at time of delivery. The Board of Directors may issue and sell non-interest bearing notes of the club (to be called "Debentures") of the face value of five hundred dollars each, such Debentures to be dated April 2, 1923, and payable fifty years after date, such Debentures to be callable as a whole by vote of the club on thirty days' notice at their face value plus a premium equal to the excess, if any, of their determined value over their face value.

All Debentures shall become due and payable in any event forthwith upon insolvency, bankruptcy, dissolution, or appointment of a receiver of the club.

Section 2. Such Debentures may be sold only to special active members or to persons who shall have been elected to regular active membership and not more than one such Debenture may be issued or sold to any one such person.

Section 3. Such Debentures shall be sold for their face amount plus a premium equal to the excess, if any, of their determined value over their face value. Such Debentures may be paid for in full in cash or in obligations of the club taken at par and accrued interest, or they may be paid for on the instalment plan, i.e., in ten equal annual instalments with interest at six per cent per annum on the unpaid balance, payable in such manner and at such times as the Board of Directors shall determine.

Section 4. The Board of Directors shall determine and report at the annual meeting each year the value of the Debentures, and the value so reported shall become the "determined value" for

the ensuing year, unless a different figure for such "determined value" is fixed by vote of a majority of those regular active members who are present in person or represented by proxy at such annual meeting (provided, however, that at least three-tenths of all the regular active members are present or represented). Until the annual meeting of the club next after the date of such Debentures their determined value shall be their face value.

Section 5. Unless otherwise authorized by vote of the club at a meeting called for the purpose, consented to or approved by a majority of all the regular active members in writing or by their affirmative votes at such meeting, the proceeds of the Debentures shall be used only for the payment of the bonds or other indebtedness of the club outstanding on March 7, 1923, or for such additions or improvements as may be authorized by the Board of Directors, and until so used shall be placed on deposit in a separate account in some national bank or trust company in Massachusetts, or invested in securities legal for Massachusetts savings banks; provided, however, that not more

Section 6. No sale or mortgage of the land or buildings of the club, or any part thereof, shall be made unless authorized at a meeting of the club duly called for the purpose and consented to or approved in writing or by the affirmative votes of a majority of all the regular active members.

membership. The application of such prospective transferee shall be acted upon at the next meeting of the committee or other body having the power of election of active members after notice from such proposed transferee in precedence to the application of any other person on the waiting list. Unless the Debenture shall be so transferred within such time as the Board of Directors shall determine to be reasonable it shall be surrendered to the club and the club shall hold it for the benefit of the person so surrendering it and shall sell it as soon as possible and ahead of any unissued Debentures at the determined value to some person who has been elected to regular active membership or to some special active member and shall pay over to the person so surrendering the same the amount received from such sale less any amount which may be due the club from such retiring member and any expenses incurred in connection with such sale. The person to whom the Debenture is so sold shall have the privilege of paying for the same on the instalment plan, in which case the retiring member shall be entitled to be paid in full from the funds of the club at the time of such sale or transfer.

ARTICLE XIII

Section 1. This Constitution may be amended at any meeting of the club, duly called for the purpose, by vote of two-thirds of those active members who are present in person or represented by proxy; provided, however, that any amendment of Article XII or of Sections 2, 3, or 4 of Article I shall also require an affirmative vote at such meeting of a majority of the entire number of regular active members. The notice of any such meeting must state the gist of the proposed amendments.
